## SUMMARY

I am a friendly and hardworking student. Who is working towards studying a degree in Data Engineering. I love reading books and learning new skills in regards to technology. I volunteer regularly in school activities and consistently achieve high grades. I am actively seeking a part-time job and I believe I would be an assist and supportive member of any company.

## VOLUNTEERING

- Dural Toy library , Middle Dural — 2023
- Sorting and arranging toys
- Assisting children and their parents
- Scan and upload images of toys to their website.

### Parkrun Australia - 2024
